

MEXICAN CHRISTIAN MISSION

September 2014

“This is the work of God, that you believe in Him whom He has sent” (John 6:29)

The sole desire and mission at the Mexican Christian Mission (MCM) is to bring people to Christ and for Christians to grow stronger in their belief. By the grace and power of our Lord Jesus Christ, our adult and children outreaches over the last 8 to 10 years have resulted in thousands professing faith in Christ – all praise to HIM! We have been led by the Holy Spirit to teach at conferences on difficult topics such as pornography and homosexuality, which have helped many believers grow in their faith. We also have had the privilege to assist churches by helping needy families within their congregations – all because of your generous donations.

This month we were blessed to bless more families in need with generous trips to the grocery stores. Pictured left is Maria holding her 11 year old daughter Suzanna. Suzanna suffers from cerebral meningitis and cannot walk or talk. She has very limited movement in her arms. Behind her is her sister who helps with most of the house chores. Maria has 2 other children who I have included in this picture. Most of the family's income goes for medical treatments for their daughter. MCM brought tremendous joy to this

lovely family with a huge food run.

We also helped another lovely family, pictured on the right, with a much needed trip to the grocery store as well. The oldest daughter, named Genesis, suffers from anemia. Genesis is extremely weak and consumes much of this families' resources. The father abandoned the family and Neri, the mother, has to manage all the family needs. MCM was able to supply their grocery needs that will last, God willing, for several months. Neri was almost without words trying to thank God for this "miracle" and she is believing more than ever in the living God and His Son the Savior. Thanks to your generous support MCM will continue to bless families experiencing extreme hardship.

We also have other exciting activities that will take place in the next few months. We are currently searching for a pick-up truck for Pastor Leonel Vega who needs it to replace his aging 1990 Ford Ranger. Pastor Vega travels to local small villages and with roads only being dirt roads, a vehicle with a strong suspension system yet is economical to operate is very important.

On October 18, we are looking forward to teach at a conference that will address pornography. The pastor hosting this event informed us there is considerable need and interest in his congregation for such a topic as pornography to be addressed and people from many other churches plan to attend!

In November, we will participate in a community outreach in East Tijuana, sharing the gospel and providing blankets to needy families for the coming winter season. The pastor expects over 100 families to participate.

In December in Colonia Rojo Gomez we will have an outreach dedicated to young children and teenagers. Our goal, once again, is to win many for Christ with powerful teaching from God's Word. God's Word, good food and games for the children are going to make this outreach a success!

We thank you once again for your generous support! Please pray that the Lord will continue to use us in a powerful way, and please consider helping us fund the various outreaches and conferences that we have planned in the next several months! Jesus said to His disciples in John 4:35, "Behold, I say to you, lift up your eyes, and look on the fields, that they are white for harvest." May God bless you and please let us know how we can be praying for you!
